

June, Month of the Sacred Heart of Jesus

Sacred Heart of Jesus today I wish to live in You, in Your grace, in which I desire at all costs to persevere. Keep me from sin and strengthen my will by helping me to keep watch over my senses, my imagination, and my heart. Help me to correct my faults which are the source of sin. I beg You to do this, O Jesus, through Mary, Your Immaculate Mother.

Love has always been associated with the heart, so it was only natural that the love of God became represented by a heart, the heart of his Son Jesus. In him, God the Father revealed his infinite love for us. On the Friday after Corpus Christi, which falls on Friday 16 June this year, the Church celebrates the Sacred Heart of Jesus.

In the course of the struggle for independence in the Austrian Tirol, where I lived for eleven years, the people dedicated the country to the Sacred Heart and obtained their freedom. To this day there are public celebrations on the feast of the Sacred Heart and extravagant displays of crosses and hearts on mountain slopes using slow-burning wax flares.
