

Why do Catholic Christians emphasise the position of Mary in the Church?

When Jesus saw his mother there, and the disciple whom he loved standing nearby, he said to her, "Woman, here is your son," 27 and to the disciple, "Here is your mother." From that time on, this disciple took her into his home. John 19:26-27

The beloved disciple has been traditionally identified as the Apostle John. He stands as a model of Christian discipleship. Thus if he made a place in his heart for Mary so should all Christian disciples do the same. What about Mary? If John is entrusted to Mary's care then Mary becomes a mother to all Christian disciples.
